President of the European Council António Luis Santos da Costa and the President of the European Commission Ursula von der Leyen will be on a visit to India from January 25-27, 2026, as chief guests at the 77th Republic Day celebrations.

During the visit, the leaders will also co-chair the 16th India-EU Summit on January 27, 2026, a statement by the Ministry of External Affairs said. The announcement of the conclusion could be made during the summit and signing could happen on a later date.

The 15th India-EU Summit was held virtually on July 15,

Trade, security and defence, the clean transition and people to people cooperation will top the agenda of the discussions, a statement by da Costa's office said.

Negotiations on 20 of the 24 chapters or policy areas covered by the FTA have been completed, Agrawal said.

To give a last mile push to the negotiations, Commerce and Industry Minister Piyush

Goyal visited Brussels last week for a meeting with EU Trade Commissioner Maros Sefcovic on January 8-9. Prior to his visit, high-level discussions between Agrawal and Weyand were held on January 6-7.

India and the EU started FTA negotiations in July 2022. Since then, they have held 14 rounds of negotiations and have been constantly in negotiations since October last year.

The EU is currently India's largest trading partner. Bilateral merchandise trade between India and EU stood at \$90.7 billion in 2024-25 with India's exports at \$51.0 billion and imports at \$39.7 billion.
