

Maharashtra signs investment MoUs worth ₹3.5 trillion

Maharashtra Chief Minister Eknath Shinde on Friday said he was resolute in leading the state to its ambitious target of becoming a \$1 trillion economy as the state government secured investment MoUs worth ₹3.53 trillion (\$44 billion) this week at the World Economic Forum Annual Meeting.

The state also received an expression of interest for an additional ₹1 trillion investment, taking the total to ₹4.5

trillion (nearly \$57 billion) with a potential to create about 200,000 jobs across sectors, including electronics, information technology, data centres, gems and jewellery, agriculture, automobile and renewable energy, an official statement said.

During his visit accompanied several senior officials, Shinde signed 19 MoUs.
