German luxury carmaker Mercedes-Benz launched its AMG SL 55 4MATIC+ roadster in Mumbai on Thursday at a whopping ₹2.35 crore.

The car has received more than 30 pre-bookings from customers in India. It has a petrol V8 engine with twin turbochargers and produces 700 nm torque and can attain a top speed of 295 km/h.

'A PIECE OF HISTORY'

Mercedes-Benz said the SL has seven decades of driving legacy and stands for one of the few genuine automotive icons in the world.

“We have customers who want the car as early as possible. This depicts that the car is an icon and cult and people want to own a piece of history. As we move forward, the next

generation will be all-electric vehicles. This now becomes one of the switching points from combustible engines to EV,” said Santosh Iyer, MD & CEO, Mercedes-Benz India.
