

India fast-growing mkt with huge potential: Samsung CEO

India is one of the biggest and fastest-growing markets for Samsung globally, said Samsung Electronics CEO and Vice-Chairman Jong-Hee (JH) Han on Tuesday. He was visiting the company's Noida factory, where Samsung Electronics produces smartphones, tablets, and refrigerators. In his second visit to India this year, Han emphasised the increasing significance of the Indian market for the South Korean company, the company said. "We were among the first companies to invest in India, and I am happy that the Noida factory has emerged as one of our biggest facilities, manufacturing not only for India, but for the world," Han said.
